RE: ***Oz et al., v. FMW Laboratories, Inc. et al.,*** Index No. 09-cv-7297 (DAB)  
**U.S. DISTRICT COURT, SOUTHERN DISTRICT OF NEW YORK**

Dear Judge Batts:

We have been retained as counsel to MyColonRelief, which has been named as a defendant in the above-referenced action. The complaint and summons were received by MyColonRelief on Friday, August 21, 2009.

On behalf of MyColonRelief, we contacted counsel for Plaintiffs and requested an extension of time for MyColonRelief to answer, move or otherwise plead to the complaint. Counsel for Plaintiffs agreed to an extension of thirty days for MyColonRelief to respond to the complaint.

Accordingly, pursuant to Section 1E of the Individual Practices of Judge Deborah A. Batts, we request that the Court grant MyColonRelief until October 12, 2009 to answer, move, or otherwise plead in response to the complaint. MyColonRelief has not made any previous requests for an extension.
